Intro to Hoarding Disorders

Presenter: Janet Yates, MA LMFT

Janet Yates is a trauma and grief specialist, and has worked with populations diagnosed with dementia, hoarding and PTSD. Janet earned her master's degree in Marriage and Family Therapy at Bethel University, and a second master's degree in Family Social Science from the University of Minnesota. She was a co-founder of the Hoarding Project.

Learning Objectives:

-Learn definition of hoarding disorder.

-Recognize effective diagnosis and treatment strategies of hoarding disorder.

-Describe alternative options to treatment other than a forced cleanout.

Presented in Partnership with:

Home Health Care Inc.
